- 26. Parishioners Concerns or Questions to the Council:
- a) Council meeting acoustics: A member of the public complained that they could not hear the councillors speak as the room was echoing.
- **Supermarket HGV Delivery complaint:** A member of the public complained about the parking of delivery HGV trucks on the front of the supermarket very close to a pedestrian crossing. The Clerk was asked to find the terms and conditions of the Planning decision and report back.

27. District Council Report – Cllr. Porter

- No Mow May campaign SMDC is taking part in the PlantLife campaign where residents are encouraged not cut their grass or wildflowers from 1 May until 31 May to provide a feast of nectar for our hungry pollinators. Staffordshire Moorlands District Council is taking part this year and will leave selected areas of Selbourne Road in Leek and Havlock Grove in Biddulph to grow during May. These areas will be signposted to inform residents that they are part of the national campaign. I will personally be taking part too.
- Energy Bills Rebate our Staffordshire Moorlands District Council team has started making payments of the £150 Energy Bills Rebate to residents who pay council tax by direct debit. If you pay on 1st or 15th of the month, you should receive payment on or shortly after 29th April. More payments will be made in the coming weeks following successful direct debit payments, which is how we're verifying your account. So far we've made over 18,000 payments totalling more than £2.7 million. We will shortly be writing to all non-direct debit customers giving details of what they will need to do, to claim their rebate payment.
- I represented SMDC and Brown Edge Parish Council at the Biddulph Mayor's Charity Ball.
- I was delighted to support the launch of the new Ally Cat Balloons shop in Endon last week.
- I've launched the Staffordshire Moorlands Climate Change Community Fund to provide up to £500 to community groups to tackle climate change. We want to empower individuals and communities to take action. Please apply via the SMDC website.
- I represented the Moorlands at the Staffordshire Sustainability Board and Joint Waste Board meetings at County Buildings in Stafford. Our 10 councils across Staffordshire are working closely together on the environmental issues that matter most to our residents, especially EV charging points and nature recovery at the moment.
- Large amounts of rubbish keep being dumped on Tongue Lane. Fly-tipping like this costs local Staffordshire Moorlands taxpayers over £35,000 a year. Staffordshire Moorlands District Council has a zero tolerance of fly-tipping. Please report any sightings.
- We had a fun team litter pick for the Great British Spring Clean!

- Staffordshire Moorlands District Council is setting up a green network to help deliver the muchneeded changes set out in its climate change actions plans. We want to hear from community groups who are keen to work with the Council and other groups to share ideas and experiences and develop new ones together. Support Staffordshire is helping the Council establish and administer this new network. If you'd like your group to be considered for membership please email jill.norman@supportstaffordshire.org.uk
- Our next Councillor and Police Surgery dates are as follows. All are welcome to attend. No prior appointment required.
 - o Endon Community Café at Endon Methodist Church
 - Monday 9th May at 12-1pm
 - Monday 30th May at 12-1pm

Grants from the Football Association are also available, so this option was also discussed on site. More information needs to be gathered.
